MANDATE

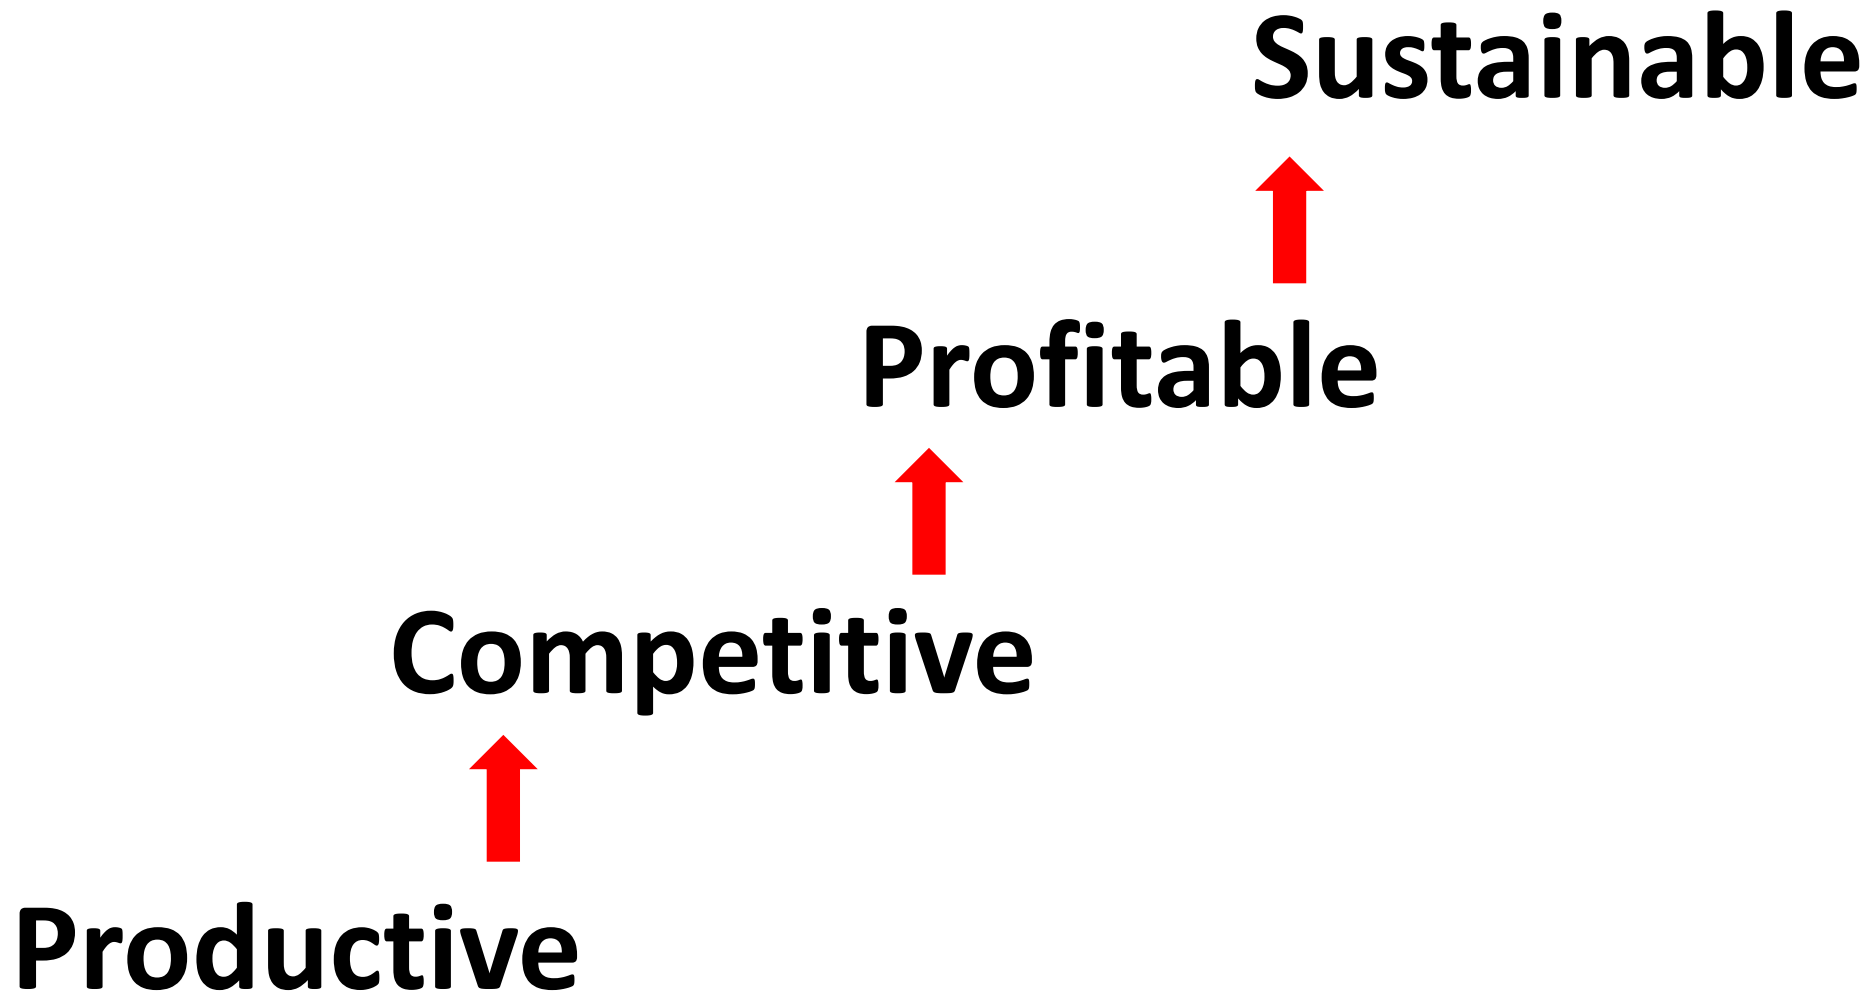

To promote employment growth and productivity, thereby contributing to South Africa's socio economic development and competitiveness.

THE ESSENCE OF WHAT WE DO...

Develop and implement solutions to **productivity related problems** facing businesses, industry sectors, and the broader South African economy.

WHY PRODUCTIVITY?

HOW DO WE DO THAT?

Diagnosing

Advising

Implementing

Monitoring

Evaluating

MEASURING PRODUCTIVITY

How efficiently did we utilize all the resources at our disposal (INPUTS) in the process of producing or delivering the required goods or services (OUTPUTS)?

$$P = \frac{O}{I}$$

WHAT DO WE LOOK AT?

Inputs

Processes

Efficiency

Utilization

Waste

Outputs
